¹Due to technical difficulty with the photo finish computer and timer at Blue Ribbon Downs on Saturday, April 8, the trial races for that day were rescheduled to April 14 and the April 22 final race was rescheduled to April 29. Since the first race on April 8, a non-trial event race, was completed prior to the technical difficulty, April 8 remains a race day. The change in dates adds one additional race day to the race meeting.
