**Gaming Reciprocities/License Verification
Oklahoma Horse Racing Commission Procedures**

In the past, the Oklahoma Horse Racing Commission (“OHRC”) has worked with your office in providing licensee information as requested by you to assist in your licensing process. Please be advised that our offices will no longer be accepting requests (by facsimile, email, or otherwise) for license verification.

The information you seek relating to licensees is a public record and is made available to you on our website.

Go to www.ohrc.org

Click: PUBLIC DATA

Click: OCCUPATIONAL LICENSE DATA

Click: OCCUPATIONAL LICENSE RECEIPT SEARCH

Enter: FIRST and LAST NAME

Click: SEARCH

The results will show type of License (vendor, manufacturer, distributor, manufacturer/distributor), License Date (the date license was issued), and License Expiration Date. All current licenses for racing and gaming expire 12/31 of the current year.

Should your search result in more than one Licensee name, and it cannot be determined by you which Licensee is the particular one you are searching, you may contact our office by phone (405) 943-6472, to confirm the information. Please ask for the Licensing Division.

PLEASE NOTE

Based on FBI Guidelines, we are prohibited from releasing any criminal history information from our records.

Thank you in advance for your cooperation with this matter.
